  - You are to discuss with any faculty member of your choice (MCAS only; all other students, see below) how a semester or year abroad fits into your academic career at Boston College. It is your responsibility to set this discussion up.
  This acknowledgement does not replace obtaining required course approvals for any courses you may wish to count towards your major, minor, or core. **This is not a recommendation,** nor an approval for one specific program or term abroad. The Office of Global Education reserves the right to place you in one of your six program choices and terms.
    - **CSOM**: follow this link to find your advisor
    - **LSEHD**: Maureen Raymond or Jill Pickener via lsehdstudyabroad@bc.edu
